Gold Coast's Golden Girl ***Tania Zaetta*** is MC

Proudly presenting the launch of;

Beneath the Pale Blue Burqa

One Woman's Journey through the Taliban Strongholds

Kay Danes' incredible true story of her humanitarian mission to war-torn Afghanistan, travelling the ancient silk route through Taliban strongholds and remote wastelands of Al Qaeda terrorists, in a dusty Toyota Hiace, determined to do whatever it takes to deliver life changing opportunities and aid to people devastated by war. Driven by her own personal ordeal, when Kay and her husband Kerry (Australian Special Forces Soldier) were illegally held hostage in Laos, enduring brutal interrogations, mock executions and other violations of their human rights, this story is one of a woman committed to making a difference in the lives of others.
